### History 區歷史

Sumida City was born on March 15, 1947 with the merging of Mukojima Ward and Honjo Ward, now the northern and southern parts of Sumida, respectively. The name was derived from alternate readings of the first part of the word "Bokutei," a nickname for the banks of the Sumida River, and the middle "da" character in the characters used to write "Sumida River".

北部的向島區和南部的本所區合二為一，於1947年3月15日誕生了「墨田區」。名稱取自自古以來備受人們喜愛的隅田川堤的通稱——墨堤的「墨」字和隅田川的「田」字。
